## NATIONAL AWARDING CEREMONY TOYOTA DREAM CAR ART CONTEST 10TH 2016

Since 2004, Toyota has globally organized Toyota Dream Car Art Contest (TDCAC) to stimulate the creativity of children of school age. In the 10th year of the implementation, Toyota took the kids around the world to share ideas on the future of mobility by means of the theme to draw the dream car of the future.

The series of the 10th TDCAC activities in Indonesia began with the socialization process that took place since November 2015. The TDCAC competition this time are getting a high interest from the society. It is seen from the works that the organizer received as many as 6.137 TDCAC work. Competition enthusiasts of TDCAC increased 134% compared to last year. The next series of the events is the process of selecting winners on February 2016, until it reached the end of the event series, that is the National Awarding Ceremony held at the Toyota booth in the Indonesia International Motor Show (IIMS) event on Wednesday, April 13, 2016 JIExpo, Kemayoran.

Toyota Indonesia announced a total of 9 winners of the national level which is divided into three age categories. Category 1 for participants under the age of 8 years old, category 2 for ages 8-11 years and three categories for participants aged 12-15 years. Here are the names of the TDCAC winners of 2016:

**Winners of category 1:**
