TEFC (TOYOTA EQUIPMENT & FACILITY CLUB) EXHIBITION

TEFC (Toyota Equipment & Facility Club) Exhibition

"New Technology Product & Service (Clean, Bright & Comfort)"

Toyota Equipment & Facility Club (TEFC) held TEFC Exhibition entitled "New Technology Product & Service (Clean, Bright & Comfort)" on Thursday and Friday, 10-11 March 2016 on TMMIN Karawang plant # 1. The exhibition aims to introduce the latest technology and services from TMMIN suppliers, this is a routine agenda that held annually by TEFC.

PT. Engineering System Integrator, PT. JTEKT Indonesia, PT. CKD, PT. Nakanishi Indonesia, PT. Ekaprasarana Aryagunastya, PT. Omron Industrial Automation, PT. Master Cipta Sentosa, PT. Prima

Tigon Global, Mitsubishi Electric, PT. Daifuku, PT. Taiki-sha, PT. Somagede Indonesia, and PT. SMC are the 13 list of names of exhibitor that participating in the Exhibition TEFC this year. The exhibitor are TMMIN supplier with experience in the field of Technology and Service.

The event agenda attended by approximately 750 people from TMMIN, TEFC, and the TM Club was opened with the opening speech from Mr. Nandi Julyanto as Director Production Engineering and Karawang Plant and Mr. Yamashita as a representative of the Business & Tech. Committee. This event became very attractive because it is filled with Visit Booth, Booth Explanation to the visitors, the presentation of the committee, and the distribution of the certificates. There is also awarding moment to the Best Exhibitor, PT. Daifuku and end with the closing of Mr. Ueda as TEFC Advisor. Overall, the event resulted in something useful and able to establish a good relationship that has existed between Toyota Indonesia with the suppliers.
